Details: THE FEED, an organic hip-hop group from San Francisco, combines classic hip-hop, old school rap, rock n' reggae, with jazzy flava and a twist, to create their original "new school" mix. THE FEED's ingredients are two Emcee's (Mr. Jei and Wojtek), a female vocalist (Nkechi), bass (Mike Courtesy), drums (B-Swayzee), keys and sax (E-Harmony), violin (Homer Sta Bone), and turntables (Bass Ackwordz). "The Feed represent a hip-hop band from top to bottom. The musicians lay down a cohesive backdrop of 70s infused psych rock, funk, reggae, and some boom bap breaks in which MCs Mr. Jel and Wojtek Mlynarski always find the pocket. Intricate wordplay and thought provoking subject matter make for a dramatic and in-depth album which takes you back to the golden era of independent hip-hop. Check out The Edible Album it wont leave a bad taste in your mouth. " -Versus Magazine SF
