MISSISSIPPI'S NEWEST WORLDWIDE ARTIST.. The South's answer to Tupac, and 50 cents,,,He's HOT.. 14 MP3 Songs HIP HOP/RAP: Southern Style, URBAN/R&B: R&B Rap mix Details: The very first Worldwide artist to come out and REPRESENT Okolona, Mississippi. Mr. Prime has lived through it all, and keeps coming back. Production is done by Mr. L.P.D. for Playa tight Soundz/playatight.com. He is a southern heavyweight in rap and production. L.P.D. has done work with David Banner, The Original Mr. Prime Suspect, Yo Lynch, and Tom Skeemask just to name a few. Production is also done by Pimp Sno out of Tupelo, Mississippi, who has produced such Mississippi greats such as Pistol Maine, and 4GP, and D.Gully. Pimp Sno is the youngest/newest KING in the production business. Mr.Prime's lyrics have been compared to Tupac's, 50 cent's and Beanie Sigel's. The music is real, it's his life on every song, every experience good or bad, every pain, each frustration. It's been crowned as one of the "Realest c.d.s being sold". Folks know him as the realest cat out there rapping. I've taken a lifetime worth of hardships, and lyrically told my story to the world. Folks identify with what I'm saying, they've felt/lived likewise at times. I'm a member of the Kaotic Klique out of Tupelo, MS. Mr. Prime Suspect keeps in close contact with Pistol Maine (Amory,MS), Ivy Crew(Amory, MS), Doughbelly Stray(West Point, MS), D.Gully (Tupelo,MS), Tommy Wright III, 4GP(Tupelo, MS), Kwan of S.S.P.(Ripley, MS), PFL(Okolona, MS), Suspect CAMP(Okolona,MS), Little Tony(Aberdeen, MS), BigBULL (Golden Triangle, MS), and Chaos(Starkville, MS). Mr.Prime can tongue-twist with the best of 'em, but his trademark is the unmistakeable ability to take a situation and describe is perfectly lyrically. His trademark grunt/growl has the dirty south all saying, "Unh!" The Kaotic Klique's album is still in production. It should hit early 2004, it's a classic. They've made noise for the past several years down south. Insane of PFL, is going to do alot of production for Mr. Prime and the Suspect Camp next year. He's very tight with the beats. The

suspect camp is currently being mastered right now, and will hit soon. Members include Krazy K b/k/a bullsh\*\*er, Killa T, Phatal Lynn, Gangsta C, Hellraiser b/k/a li'l scary, China maine b/k/a "2 foot head stompa", and Haymaka rounds out the camp. Niecy is the camp's feature singer, whose angelic voice adds the right piece to the Suspect Camp puzzle. I plan on working with Banner (David), in 2004. We both represent to the fullest our cities, and especially our state "The Mighty Magnolia.....MISSISSIPPI".
