

# Mp3 Various - Highlands And Islands Vol One:loch Shiel

[DOWNLOAD HERE](#)

Compilation CD from the acclaimed radio series broadcast by BBC radio Scotland. A mix of music, stories and craic from the real Highlands and like the place itself -unique. 21 MP3 Songs FOLK: Traditional Folk, SPOKEN WORD: With Music Details: Highlands and Islands vol one: Loch Shiel Miraculous is based in the Scottish Highlands, known the world over for its unique and diverse history and culture. This rich background has yielded a 21st Century generation of musicians who are not only at the peak of their profession, but have a true sense of belonging. The "Highlands and Islands" series of radio programmes and CD's has been created to celebrate these musicians and singers, the people who surround them, the stories they've grown up with and the land that defines them. The debut album "Vol. 1 - Loch Shiel", starts the series at the hidden heart of the West Coast - a veritable hotbed of music, song, and of course, great craic. Join the MacFarlane family, Jim Michie and his boat - the Sileas, some of the area's great musicians and other friends for an unforgettable journey. 47 minutes of glorious music and 20 minutes of stories and good craic plus enhanced CD features with extra audio, visuals and web links. Featuring music from Cliar, Iain MacDonald Iain MacFarlane, Daimh, Hoogie, Jim Hunter, and Margaret MacLellan Blazin Fiddles.
