There are 48 Lively, Moody, and Melodic tracks that are 1 min 25 sec long approx. for Gymnastics Routines for various Competitions. Most are set at, + 6 Tempo (tracks 12 thru 48). The music styles vary greatly. Something for every taste. 48 MP3 Songs EASY LISTENING: Mood Music, ELECTRONIC: Virtual Orchestra Details: I was asked to come up with some short pieces of music for Gymnastics teams to Perform their Routines. I came up with eight new Tunes and figured some of my previous music might work well for the remaining 40 Tunes. They have to be 1 min 25 sec + or - 5 seconds. The DJ can clip it if necessary. The unusual Variety of music styles and sheer number of tunes offer the participant a chance to find something that will work best for their routine. The first 11 tunes are at approx normal Tempo and tracks 12 thru 48 are set at + 6 Tempo. The DJ can raise or lower the Tempo and Volume as needed. I hope my efforts will entertain the audience as well as provide an Awesome Canvas for the Gymnasts to perform their Routines. William Verkler
