The Squeeze Page system provides a uniquely powerful system through which you can derive profit from multiple streams. This article will briefly discuss some of those different streams and how you can manipulate them. Let's start with the Squeeze Page itself: all traffic is sent to the Squeeze Page. From there, it will have a number of options, depending on what you have given them. Many marketers suggest that your Squeeze Page should always be an opt-in form. Others will suggest that it should simply be a sales page.
