Ultimate Survey Wizard MASTER RESALE RIGHTS INCLUDED! "Become A Mind Reading, Marketing Psychic And Know Exactly What Will Make Your Prospects Buy Your Products On Command!" Are You Tired Of Guessing What Will Sell Online? Do you constantly worry about the product or service you're offering and it's possible success or failure? How would you like to be able to predict the success of a product and your website? Even further, how would you like to have your customers specifically tell you what they want to buy from you? These are all things that can be your reality when you Survey Everything... Surveying your prospects or current customers can mean the difference between a product that completely fails and one that is a raging success! Surveys are also a great way to increase conversion rates on a current product you are selling! Consider this... Problem: You get 1000 visitors to your website and only make 10 sales.. You wonder what you are doing wrong, but unfortunately that's all you can do is wonder... Solution: You install a simple 3 lines of code from your Survey Everything Account and the problem will soon be solved... The Payoff: After a certain number of people have answered your survey you login back into your Survey Everything account and review the answers for

this campaign! If you keep seeing a lot of the same kinda of answer such as- "The reason I was leaving your website without buying is because you do not take paypal" Guess- what you just learned.... how to instantly increase your conversion rate by simply adding paypal as a payment option!! No obviously this is a simple thing to do, you will get all kinds of answers that will help you dial in your site for optimum conversions on your traffic! All this just for giving away a few free copies of your digital product! That's the great thing about digital products, sell or give away 10 or 10,000 and your cost stays the same! Now that you have your site dialed in remove the free product popups and get ready to make some sales! Side Benefit: Sure you gave away some product, but you built a highly targeted email list at the same time you can now market to over and over again!! Heck you may end up finding out you make more money off this list you are now building then you ever did selling your product through follow-up affiliate marketing! If this turns out to be the case I would personally keep giving away my "Super Duper Whatever" forever! This is just one way you can use "The Ultimate Survey Wizard" The possibilities are endless! \* Survey your list to see what products they would like to see you create next... \* Survey your list to see which or your current products they would like to buy resale rights to and how much they would be willing to pay... \* Survey your exit traffic to see what price they would have paid today.. \* You get the idea.. Until Now Surveys Have Required Extensive Web Systems, Spreadsheets & Employees To Track All The Data To Work Effectively... Survey software and systems have always been extremely expensive. Why so expensive? You see, the companies that develop them realize how much more money a business can make if they can survey they customers so they charge a hefty fee for it. You've also needed a staff to analyze, prepare and organize the survey results in a readable manner to realize the full potential of that data. I'm sure that you don't care to spend hundreds or thousands of dollars on software and that you don't want to hire employees. Which is why I'm very excited to introduce..."The Ultimate Survey Wizard"! With This System You Can... \* Ask Any Question You Need The Answer To From Your Customer! \* Increase Sales Scientifically And Automatically ! \* Gather Profitable Subscriber & Customer Intelligence! Using "The Ultimate Survey Wizard" Is Easy! You don't need to be a computer wiz to do this. In fact, there is no software to install at all. You simply follow a few easy steps and you're well on your way to gathering all of the covert customer data you could ever need! So What's This System Based On? This system is based on the scientific principals of testing that big corporations used. The best part is it's been tamed and made easy for the little guy to use almost without effort. You'll be increasing sales and profits in no time with this

unique, intuitive system. \_\_\_\_\_ Visit My Store For More Deals!!!
