What happens when fifteen years of marriage begin to go awry? Both partners long for children, but when that doesn't happen, they find solace in arms of another. When an old high school sweetheart enters the picture and a nurse at the local hospital plots to marry a man who already has a wife, chaotic situations arise and frenzied emotions abound. Welcome to Winter's Kisses where you'll meet: Winter Allison Reeves "a tomboy during her juvenile years who matured into an elegantly gorgeous swan with voluptuous curves, and creamy caramel skin. Her wisp of feminine grace and cunning glow of beauty enhance her captivating looks which effortlessly sweep men off their feet. Aaron Dean Newton "his honey-brown complexion, toned body, and strong, yet delicately sensuous hands contribute to the good looks that make him a walking dream for women and an object of envy for men. A doctor at the local hospital, his soft-spoken, reserved manner exudes a quiet confidence that his patients adore. Keith Pendleton "a fireman by profession, is Winter's high school sweetheart. When the two cross paths, he's certain he has reconnected with the woman of his dreams until he discovers she already has a spouse. But considering their past, he concludes that her current marriage is only a minor obstacle in his

becoming husband number two. Throughout all this, Winter's best friend Missionary Amy Renée Reeves was relentless in her support of her friend staying in her marriage to Aaron and ending her affair with Keith before it's too late. Megan Iris "the red-headed divorced RN who works at the hospital with Aaron. Fueled with a fierce determination, she has her sights on becoming the next Mrs. Aaron Newton and nothing is going to stop her, not even Winter. Can their marriage survive tumultuous affairs or will the temptation to leave become too strong to overcome? One thing is certain for Winter, Aaron, Keith, and Megan all are playing with fire and it's just a matter of time before someone is going to get burned!
