

Development Cooperation Policy In Forestry From An Analytical Perspective

[DOWNLOAD HERE](#)

Any reader eager to gain a comprehensive insight into forest development policy, praxis and reality shouldnt miss this excellent publication. Hard to find a comparable reading where the author is digging as deep into Forest Development Policy. The author discovered numerous highly relevant theories as well as inspiring cases about forests and people from around the world, focusing on change rather than development and on the role of various actors in creating or preventing change. The exciting results uncover reality and lead to inspiring discussions on concepts of development cooperation. All individual theoretical arguments and empirical proofs are well based and shed light into the political process of Forest Development Policy. The book is an essential contribution to scholarly debate and research on forestry in the South, and its relations to development cooperation, for both, readers with theoretical and practice related interests. EAN/ISBN : 9789400749573 Publisher(s): Springer, Berlin, Springer Netherlands Format: ePub/PDF Author(s): Aurenhammer, Peter
