Designed to give professional photographers of all skill levels a complete look at the working digital studio, this reference goes from start to finish—from setting up the camera and capturing the best possible images to organizing, enhancing, and printing the completed photos. Written by an experienced, successful professional photographer and lecturer, this newly revised guide takes a lighthearted approach to complete foundation information, as well as advanced tips and tricks for those ready to push their digital imaging to the next level. Intensive chapters cover Photoshop essentials for retouching or adding artistic effects, managing workflow and clients, and the many finishing options in the digital medium, including slide shows, DVDs, and magazine-style albums and collages. With a clear and upbeat approach, this reference provides quality technical information, while inspiring photographers to look closely at their work to see where a little finesse could elevate their businesses.
