

English Countryside Rain Sound Effect (sfx Wav)

[DOWNLOAD HERE](#)

This 60" file was recorded in this countryside whilst sheltering under a tree from a light spring shower. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
