Those who've read Rumi and want to know what's next will love Manhae. The happiness of meeting, the sadness of separation, the agony of longing and waiting, and the perfection of love in absenceManhae's gift was to give these moments their due in terms both subtle and surprisingly evocative. Long a cultural hero in Korea, Manhaewhose work can be compared to that of Rumi and even Pablo Nerudafinally receives his proper audience in the West.
