Heres exactly what the sequence of videos youll get includes: Video 01: Series Intro If youve selected your resale product, for example, a set of IM Videos then you need to get your website up and watch the money start flooding in Well, not quite The greatest site is nothing without visitors who will buy from you. You need to get quality web traffic to your site in order to make your sales. In these videos Ill show you a step by step plan to generate long term targeted traffic. Watch, Learn & Earn! Video 02: The Money Is In The List - If you are aiming to build Long-Term Online Income this video is a must see! Building your mailing list is an often-overlooked, yet easily implemented tool. This is one way you can greatly contribute to forging long and prosperous internet marketing success. Video 03: Instant Sales Force I will show you the advantages & disadvantages of using an affiliate army to boost your traffic and sales for you. This video will show you how to avoid the mistakes others make. Video 04: Time To Socialize In this video we will introduce you to web 2.0 and how to use this powerful opportunity to create instant traffic for your sales page. Oh yea Its fun as well! Video 05: Video Marketing - Using a short promotional video and uploading it to several free video-hosting sites can create an instant & long lasting buzz around your product. In video 5 of this series we show you some methods you can use to create & submit your promo video to achieve more traffic using this exciting opportunity. Video 06: Article Marketing - Writing & submitting articles related to your product can have a rapid and long lasting impact on driving targeted traffic to your web page. This video will walk you through the steps to get this done. Video 07: Exchange

Links - This video will show you the benefits of link exchanges and specific techniques to acquire them. Used properly, link exchanges can help enormously with your targeted traffic, however if you get this wrong it can be a colossal waste of time. Video 08: Blogs, Forums & Google Groups - In this video I'll cover some of the powerful methods to generate quality long-term traffic by simply helping others. This is good for your soul & your bank account. Don't miss this one! Video 09: Press Release - Yes, the power of the press is alive & well especially for the online marketer. Video 09 will introduce you to some easily overlooked methods to enlist the help of your local & sometimes national newspapers and how you can use these traditional media formats to bring in free traffic to your web site. Video 10: E-Zine Advertising - E-Zine advertising and targeted traffic really go hand in hand. In video 10 I'll help you understand how a few well spent dollars in e-zine advertising can truly get traffic flooding to your page. Video 11: PPC Advertising - This video will show you the bonuses and the pitfalls with Pay-Per-Click (PPC) advertising. PPC can generate the highest quality and most targeted traffic for your product, but if not done incorrectly it could simply cost you a bundle for no genuine return on your investment. This video is a must see. Video 12: Offline Advertising - This video will show you some additional ways to get the word out about your site keeping the traffic flowing and the sales coming for a long time to come
