

# Industrial Airport Atmos Truck Jet Engine (sfx Wav)

[DOWNLOAD HERE](#)

This was recorded on top of a carpark in LAX airport overlooking the busy industrial zone. There are sounds of a truck passing, a jet engine in background, air brakes, traffic, squeal of brakes. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
