

Live From The Underground

[DOWNLOAD HERE](#)

Live From The Underground is the newest release from Dirtyboi Music. Recalling the great sounds of the dirty south from artists such as Big K.R.I.T., UGK, Scarface, Ludacris, 8ball & MJG, and many more.

These 5 construction kits will keep you in the studio ready to drop hot vocals and awesome hooks. Each kit is representative of a current popular style of the dirty south with deep 808s and hard hitting kicks. All kits are 24bit wav and REX format and tempo based
