

Making History In Banda

[DOWNLOAD HERE](#)

Stahl explores the theoretical and methodological issues confronting our understanding of Africa's past. Drawing on evidence from several disciplines, Ann Brower Stahl reconstructs the daily lives of Banda villagers of west central Ghana, from the time that they were drawn into the Niger trade (around AD 1300) until British overrule was established early in the twentieth century. The case study aims to closely integrate perspectives drawn from archaeology, history and anthropology in African studies.
