(Chad Alan Turley) is making his debut to the Holy Hip Hop scene by releasing a full length LP entitled "Cloudy Dreams." Being involved in several secular projects in the past, C.A.T. has broken away from the worldly scene to minister through his music. Trying to reach the "untouchables" of society, C.A.T.'s main goal is to reach a generation that seems harder and harder to reach.

Groundbreaking beats and lyrical eloquence are the tools that come together to make this secular sounding Christian LP which appeals to Christians and non Christians alike. The goal of Cloudy Dreams is not just entertainment for Christians, but to plant a seed for non Christians. C.A.T. was born and raised in the small town of Sunnyside, Washington in the Pacific Northwest. Raised in a loving Christian household C.A.T. was never subjected to hardships such as neglect or abuse. Christ has always had a part in his life but not always a strong part. Falling victim to the evils of the world, C.A.T. found himself caught up in drugs, alcohol, violence throughout his teenage years and into early adulthood. Now, at 27, C.A.T. finds himself at a new place in life. With two years of sobriety under his belt, C.A.T. has started a new life for himself, this time with Jesus in the center. From a teen full of anger to a young man full of love, C.A.T. is ready to take the world by storm and fulfill all the plans God has called him to. "I feel God is calling me to take my negative experiences and turn them into positive messages to our youth." Cloudy Dreams is 13 tracks of hip hop good enough to stand up to the highest standards in the industry.
