Patriotic country pop 12 MP3 Songs COUNTRY: Country Pop, FOLK: Folk Pop Details: A wonderful compilation of music, prose, and original songs. This cd is folksy, artistic, touching, and compliments our military without being militaristic. It tells us who we were, who we are, and who we will be. The four verses of the Star Spangled Banner are exactly as written by Francis Scott Key, Freedom Flies reveals an introspective Audie Murphy. The poignancy of Father O'Briens What Is A Vet? examines the issue of societys scarifice. The original songs by Chuck Cashmere, The Soldier and I Am Legend, are carefully crafted to remind us of the scarifices made by those who have served and are serving our country. The military anthems serve all four major branches and the modern Buddy Hyatt arrangements fullfill the promise of tribute not militaryism. In addition the artist rendering these interpetations displays a unique, captivative, powerful voice. The vocal rendering on The Soldier captures the characters in the song and could easily set the standard for narrative vocals for years to come. It should surprise no one if this cd finds its way into mainstream media. It's as good or better than most major labels are releasing and a tribute in itself to the tireless creativity of the the art of boutique music production. While the music tracks were created in Nashville with top studio musicians, they are never over produced allowing the words and music to be the character of the cd. The rendition of Danny Boy tops any recent interpetation with a haunting fiddle arrangement by Buddy Hyatt. Simple, profound, don't be surprised if it becomes a classic. IN KEEPING WITH THE SPIRIT OF THE INSPIRATION TO RECORD THIS CD, ALL PROFITS FROM THE SALE OF THIS CD, I AM LEGEND A TRIBUTE TO OUR MILITARY, WILL BE DONATED TO THE INTREPID FALLEN HEROS FUND. The single most request of the wounded military veteran going thru rehab was to have the family close, This fund helps make this possible. People who are interested in
