If there was no music, I would have invented music, and if there was no music industry, I would have become the music industry. - Cloud Tissa 15 MP3 Songs WORLD: Reggae, HIP HOP/RAP: Hip Hop  
Details: Cloud Tissa is ready to explode on the music scene with his newest album, "1st Chapter" which marks his first LP. With a style that is very unique, Cloud blends the sounds of Dancehall, Reggae, R n B, Hip-hop and Afro Fusion into the mainstream music scene. Clouds special blend of music is very eclectic and infectious. His musical ideas come to life with the producing touches of, Julian Hruza, Sam Brisbe, Sam Gilly (House of Riddim), Clemens Ivanschitz (HoerspielCrew) and Rafael Neira. (Pacheco) During his teenage years, he reached the top of the charts multiple times in East Africa and performed in front of thousands with some of Reggae biggest names like Lucky Dube and Maxie Priest. Currently based in Austria, Cloud has appeared in many concerts such as the Wiesen Reggae Sun-Splash festival where he performed with the likes of as Prince Zeka, Alpha Blondy, Sly Robby, and The Wailers. Aside from his solo project, Cloud is also a member of the One Soul Reggae Band through which he has been touring since 2000 to date. Inspired by memories of his childhood, teen-life and his society, Cloud's album "1st chapter" has songs covering the various topics of love, partying and his personal outlook on life. By the looks of things there is nothing that can stand in the way of this young man.
