ELECTRONIC: Dance, ELECTRONIC: Trance Details: Sean Hanna (DJ Digit) has been a musician since age 5 when he began playing violin. Digit graduated from the High School for the Performing and Visual Arts in Houston, Texas where he received a special diploma for Vocal Performance. He spent part of his college experience studying Electronic Computer Music at Oberlin Conservatory of Music in Oberlin, Ohio. He has continued writing music and singing since then. As well as performing and composing, Digit spent over 9 years as a club DJ in the Houston and Austin scene (TEXAS). Digit produces all of his music out of his studio in Washington State. While studying contemporary philosophy he is able to transform those thoughts into music not only for the ears, but for the mind and spirit as well. His mottos are "Don't listen to music! Experience it!", and "When you experience Music, you experience the Divine." \*\*\*Musical influences: George Winston, Jean Michel-Jarre, Mark Isham, BT, Paul Oakenfold, Robert Miles, Keoki, Deep Forest.
