A refreshing blend of melodic rock with punk influences for the new millennium. 10 MP3 Songs ROCK: Modern Rock, POP: Today's Top 40 Details: "A refreshing blend of rock/pop/alternative music...something the music industry desperately needs!" That's how one radio personality describes Duff's sound. This group of four young men from the small town of Shelby, Ohio is on a path to achieve tremendous success. In 1999, Jacob Medley and Travis Weber combined their talents and formed a band. Bassist TJ Patton was the next person to join the band. After playing together with a drummer who didn't quite fit musically, Matt Jones filled the vacancy and completed the Duff puzzle. Duff's style has been compared to that of the Beatles, Green Day and The Strokes...all groups who's songs can be heard at a Duff show. Duff is also well known for their highly creative original music and entertaining live shows. With songs like Don't Want To Fall In Love, Lemonade and 400 Bodies from their first independent self-titled CD, Duff is poised to be a tremendous force in the music industry.
