Soulful, dark, melodic indie- pop with rich harmonies and "Beatlesque" inflections. 5 MP3 Songs POP: Pop/Rock, ROCK: Americana Details: "With his June release of When Head Killed Heart, Ellison Park is quietly becoming one of the Queen City's most provocative acts that predicates his work on the one thing we all have and understand: the human voice... Thing is: You cannot expect something this robust from somebody Parks age. His melodies, chord progressions and especially his parabolic, sensitive vocals are remarkably aged and weather-beaten while remaining refreshing and contemporary. Standing in front of Park when hes on stage and you cannot reasonably expect all of this from a miniature giant like him. Then again, can you? If anything, Ellison Parks body of work speaks to the idea that music is bigger than all of us. If done with heart and soul, it is not about ego. And it is surely not about age." - Jonathan Bitz, Editor of Denver Syntax Magazine People who are interested in Stevie Wonder The Beatles Jeff Buckley should consider this download.
