

## Mp3 Gravity Co. - U

[DOWNLOAD HERE](#)

Original electro pop sound, with warm vocal melodies over pumping electro beats. 10 MP3 Songs POP: with Electronic Production, ELECTRONIC: Electronica Details: Founded in 2001, Gravity Co. started out as a side project, working on the soundtrack to the computer game Trans, side project turned to full-time and they haven't looked back since. In early 2002 Gravity Co. made their debut, releasing their first single Away accompanied by an art-school style video directed by Gravity Co.'s Producer Georgi Stanev. The band's first try topped MM TVs (Bulgaria's most popular music television) International Airplay Chart, holding on to the #1 spot for three consecutive weeks. Away would later be included in NovaXposure - the monthly compilation released by Radio Ventures with songs by Elton John, Sarah Connor, Alcazar and others. Gravity's second single Mr. No One would set the critics straight, as to the band's potential, taking a play-list space in BMG's official weekly video compilation, alongside Carlos Santana and Christina Aguilera. The band stretched the boundaries further when Bill Withers granted official permission to record and release a cover version of his all-time classic Aint No Sunshine. Away, Mr. No One and Aint No Sunshine all made the cut for Gravity Co.'s highly anticipated debut album U released December 13th 2002. Gravity, have since been identified by an original electro pop sound, with warm vocal melodies over pumping electro beats. An instant success, U brought home the first music awards - Best Debut and Best Pop/Dance Album, from MM TVs annual awards (the Bulgarian equivalent of the Brits). Having released two celebrated albums, known for their engaging stage antics - performing full capacity venues and supporting the likes of the Stereo MCs, Fun Lovin' Criminals and more recently Ladytron - Gravity Co. teamed up with a wide range of popular Bulgarian DJs to remix some of the band's hits. AWARDS - Best Debut and Best Pop/Dance Album, from MM TVs annual awards (the Bulgarian equivalent of the Brits). - Holding on to the #1 spot for three consecutive weeks in the MM TVs (Bulgaria's

most popular music television) International Airplay Chart. - Wings, the first video by a Bulgarian Artist with airplay on MTV! Boasting Giorgio de Chirico inspired 3D animation - courtesy of one of Bulgarias finest Alexander Sokerov - Wings would be played 13 weeks running on MTVs World Chart Express. - Best Band from the annual MM TV awards of 2005. An additional Band of the Year award was presented by Melo TV Manias annual awards. - Best Rock/Alternative Song for What I Want (Instinct 2005) from the annual MM TV awards 2006 - On the 25 of March 2007, minutes before taking the stage to contribute a mind-blowing Empty World against a multi-media frenzy, on the night of the BG Radio Music Awards Ceremony, the boys were called to the stage to collect the Best Band Award. - Gravity Co. are the uncontested winners at the MMTV Music Awards, with the record 4 statuettes: Best Pop/Dance song - Empty World Best Pop/Dance Album - Mixedup Best Band Best Music Video - Empty World /Directed by Valeri Milev/ MUSIC QUOTES The debut album U by the most successive Bulgarians band Gravity Co. is from those releases that on the first listen, you knew something amazing was happening but didn't quite grasp it. By the second listen, you are hooked. By the third, fourth, and fifth listens, you realized you had stumbled upon a rare gem. The album range somewhere, between pop and electronic music with eminent contemporary elements, which sometimes even goes beyond the expectations. But to those with patience and an ear for the sublime, this will become one of the most rewarding and satisfying electronica albums of the decade. The sheer talent in this record is staggeringly high. Not only these guys have reached a new tier of studio production and aesthetic precision, but on top of that, the vocals are truly incredible. More importantly, it's noticeable in the sequencing and mastering of each perfectly-layered sound. Listen on a solid, high-end system, and all the textures will open up and dance across the room in perfect balance. U has achieved a new level of greatness and this is easily some of the best music albums you could have in your collection. - AMAdea Records, BULGARIA People who are interested in Depeche Mode Seal Underworld should consider this download.
