

Mp3 Jacob - Just A Tourist Here

[DOWNLOAD HERE](#)

Folky, Roots-Rock, Singer/Songwriter, Alt-Country music in the vein of The Beatles, Dylan, and the Grateful Dead. 11 MP3 Songs ROCK: Roots Rock, FOLK: Modern Folk Details: Jacob is a singer/songwriter from New York City. "Just a Tourist Here" is his self-produced debut album on which he creates a unique blend of roots-rock, country, folk and world music to tell stories of adventures and discovery both real and imagined. Whether driving down the east coast of the United States or diving deep into the ocean, Jacob's songs take you somewhere. With his sincere voice and sophisticated arrangements, Jacob tours the world of places and ideas and reminds us that we are all tourists on a strange and wonderful planet. For further information please visit justatouristthere.com or email us at info@justatouristthere.com. Thanks for listening and enjoy the tour!
