Original music, beautiful Melodies, perfect Grooves and sound Design. There is a creative combination of Electronica/Instrumental, Dream House, Dance, Euro-Pop-Rock, Modern New-Age Spiritual music, with elements of Opera and Symphonic mixes... 11 MP3 Songs POP: with Electronic Production, ELECTRONIC: Virtual Orchestra Details: "How does a band go about creating New Music? Not new lyrics and not even new sounds, but New Music. This question should be asked of KeyOrchestra, for in their new album, Born Again they have created New Music. In their own classification they call it pop/electronic, but it is so much more than that. By uniting operatic voice, jazz riffs, electronic synth, a mean electric guitar and ethnic sounds KeyOrchestra has created music that is not only new and innovative but also keenly individual and inspired" By: Kathleen Sharkey (IN-TUNE Magazine/June 2006). KeyOrchestra project started in September 2004, when lifelong friends and musicians, who attended together Moscow Conservatory, played Rock Band and Symphony Orchestra met in the USA after 15 years very successful international music career. This reunion was an inspiration for a new studio and stage project BORN AGAIN by KeyOrchestra. Brand new World-class instrumental album BORN AGAIN is mixed at Mega Media Group and mastered at SONY/BMG by Vlado Meller, released on March 5, 2006 in the US by Atlantic-Artists Entertainment. Music written, arranged and recorded by Andre Morgunoff, produced together with Garry Erasto. Every musical composition has its own screenplay for live stage performance and is accompanied by professional Video, Sound and perfect Light; Dance Choreography and Costume Design. New KeyOrchestra live shows utilize these visuals, lighting and programming to deliver a truly unique musical experience. "BORN AGAIN is very special to us it is our Creation.
