Eleven meticulously crafted songs, with a diverse array of musical sounds, combining beautiful pop melodies, solid, intricate drum patterns, bittersweet piano keys, acoustic guitars and electronic synths. 11 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Electronica Show all album songs: Whimsical Lifestyle Songs Details: Non-Existent Recordings from Canada is proud to present, 'Whimsical Lifestyle', the professional debut album of Gothenburg, Sweden's Mojib. This project features 11 meticulously crafted songs, with a diverse array of musical sounds, combining beautiful pop melodies, solid, intricate drum patterns, bittersweet piano keys, acoustic guitars and electronic synths. One can see how capable Mojib's reach is when it comes to the music he creates, from listening to songs such as 'The Garden Part Three', featuring no percussion, allowing the sound of haunting vocals and piano melodies to lead the song, 'Home is Where the Heart Is', with its thunderous drumming and sounds of vocal protest, or the title track 'Whimsical Lifestyle' with its bright, uptempo rhythms and melodies bringing back memories of the innocence of childhood. 'Whimsical Lifestyle' is sure to please fans of all types of instrumental music; from dusty, sample based hip hop to dreamlike downtempo and electronica.
