Acoustic guitar virtuoso who plays the acoustic like an electric in the vein of SRV, Jimi Hendrix, Mark Knopfler, Lindsay Buckingham, John Mayer 11 MP3 Songs ROCK: Roots Rock, ROCK: Jam-band
Details: "Austin, Texas, has once again unleashed a phenomenal guitar slinger on the world. This time, however, the trouble comes on acoustic guitar. His impassioned attack evokes every great player he has ever loved. He slaps the neck like Michael Hedges, taps Van Halen-esque false harmonics, soars melodically like Eric Johnson and strums with the brutal attack of SRV. Montgomery has pushed the acoustic-electric further into the realm of virtuoso rock guitar than anybody before him." - Jude Gold, Guitar Player Magazine Winner of the 1998, 1999, 2000, 2001, 2002 and 2003 Austin Music Awards for BEST ACOUSTIC GUITARIST during SXSW (South by SouthWest) Music Conference.
