Masterful solo acoustic guitar (plus vocals) with alternate guitar tunings. Nick Drake meets The Beatles. 16 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: Paul Clements brought his singing and songwriting to America after performing in the Folk Clubs and Pubs of his native England. He started performing when he was 13 years old. Since then he has been playing the New York area relentlessly. Using a variety of alternate guitar tunings, slide and percussion techniques, his playing brings to mind artists like Nick Drake and Leo Kottke. He has been accused of "guitar abuse" by more conventional players but to date has never actually broken a guitar.
