

Mp3 Push Button For - Chemistry Sex B/w Guessing Games

[DOWNLOAD HERE](#)

The sound of song dancing to the beat of its own drummer, be it the swingin' pure pop swagger of Guessing Games or the Pet Shop Boys-meet-Depeche Mode love mutation of Chemistry Sex. 2 MP3 Songs POP: with Electronic Production, POP: Synth Pop Details: Push Button For is the first collaboration between the main songwriters for CD Baby artists "ing" (ingdom.com) and The Bobbleheads (johnashfieldmusic.com). It is the sound of two writers dotting each others i's and crossing each other's t's with choruses and hooks and riffs galore! A new band to be or a glorious ongoing side project, you'll have to decide * * * * * Dreamt, Imagined, Performed, Recorded, Programmed, Sequenced and Produced by Mark Smotroff and John Ashfield at Sonic Gloo. Mixed/Engineered by Chris Xefos (with additional bass parts on Chemistry Sex -- thanks Chris!). Mastered by John Cuniberti at The Plant in Sausalito. * * * * * And hey, if you like this stuff, be sure to check out John's band "The Bobbleheads" at: cdbaby.com/cd/bobbleheads And John's fab solo CDs are available at: cdbaby.com/cd/johnashfield4 cdbaby.com/cd/johnashfield3 cdbaby.com/cd/johnashfield2 cdbaby.com/cd/johnashfield And of course you can find the links to the Mark's band "ing" to your left of this section on the page :-)

Thanks for checking this out! People who are interested in Elton John Depeche Mode Pet Shop Boys should consider this download.
