Details: KINDRED SPIRITS is a group of professional musicians collaborating on songs of inspiration, classic hymns and GOSPEL songs both TRADITIONAL and CONTEMPORARY in style. The ensemble is composed of 5 piece rhythm section with horns and strings complementing this group on venues where the budget can support it. The group has been performing in local churches and schools in the NEW YORK, NEW JERSEY metropolitan areas for the past 6 years. Ron Foster KEYBOARDS, CONDUCTOR is the leader, composer, arranger for this group and would like to invite you to his web-site at RONFOMUSICART.NET for more info on some of the other work he is involved with. Some of the songs are introduced with NARRATIVES so listeners can get an idea of what songs are trying to convey without lyrics using jazz improvisation over the chords and melodies.
