

Mp3 Saint - Urban/r&b: Soul

[DOWNLOAD HERE](#)

Saint, an edgy neo-soul artist whose melodic voice will stimulate your mind, body and soul is seemingly similar to Ray Charles, and Lyfe. However, he must be placed in a category all his own; his debut, self-titled album is guaranteed to satiate you. 16 MP3 Songs URBAN/R&B: Soul, GOSPEL:

Contemporary Gospel Details: Saint, a soulful R&B artist, and self-taught musician, is destined to be one of the most respected artists in the music industry. He is deeply rooted and grounded in the aesthetics of music; it courses through his veins. Saint has shared his musical talents abroad as well as in the States for multi-national, clubs, festivals, corporate parties, and the like. He has recorded with many greats, such as the late Curtis Mayfield, and Charlie "Cold Black" Brown. Saint showed his duality and versatility by crossing the line of the R&B genre and recording with platinum rap artist Ludacris. Currently, he is doing what he does best-- working and producing tracks with Mumbles for MumbstonedMuzic. Keep your eyes and ears open for the blessings of Saint. He is guaranteed to break the monotony of the predictable flow that only mainstream music offers the people.
