

Mp3 Scott Ezell - Ocean Hieroglyphics

[DOWNLOAD HERE](#)

World-Ambient music combining American folk with traditional Indian, Chinese, and aboriginal music--Guitar, banjo, djembe, mbira, bamboo flutes, jews harp, percussion and more. 12 MP3 Songs in this album (62:46) ! Related styles: NEW AGE: Ambient, WORLD: Chinese traditional People who are interested in Michael Hedges John Fahey Sandy Bull should consider this download. Details: Scott Ezell is a writer, musician, and visual artist. He lived many years in Asia, where he absorbed traditional music styles and became fluent in Chinese. "Ocean Hieroglyphics" was recorded in a mountain farmhouse overlooking the Pacific Ocean on the coast of Taiwan, where Scott Ezell lived with a tribe of aboriginal woodcarvers and built a recording studio from driftwood. These ambient instrumental songs express the color and texture of the ocean with traditional instruments from four continents. Total time, 63 minutes.
