Related styles: WORLD: World Fusion, ELECTRONIC: Psy-Trance People who are interested in Morcheeba DJ Spooky Bill Laswell should consider this download. Details: Steve Clarke is a very diverse songwriter and recording artist from New Jersey, USA. He experiments with exotic world, and funky instrumental music. Steve plays acoustic and electric guitars, keyboards, synthesizers, and percussion instruments. He plays, records, and manipulates everything in Pro-Tools, to create this unique and original fusion of sound! This is wild experimental instrumental music. Steve Clarke pushes the boundaries of instrumental art and modern digital production, to create strange but beautiful worlds of music! He sets no limits, always trying new techniques and exploring new musical forms and styles. These tracks range from exotic world grooves, reggae-dub, funky drum bass to new age influenced pieces. Re-mastered this year to great results, this is truly a spacey world trip, listening experience ! I cant really explain who it sounds like, just enjoy!
