An Explosive Burst of Power-Pop rock with infectious hooks and energetic grooves. 6 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: "Sometimes it just works." says Jim Gray about the collaboration between himself and long-time friend, co-writer and guitarist Matt Hallahan. "We've been writing together for years, but never actually played together...and now I don't know why. Bassist Ken Berardinangelo and Drummer Jon Rutkowski complete this New England based quartet."I've played in other bands with Ken Jon, and it just felt like home the first time the four of us got together." It's song rock. It's not about how fast the guitarist is, how high the bassist can jump in the air, or how many tattoos the drummer has...it is, and should always be about the songs."
