This born songwriter and natural performer fuses Latin rhythms with soulful and soothing lyricism to give you a taste of what happens when Latin sound meets meaningful pop. 12 MP3 Songs POP: Pop, LATIN: Latin Jazz Details: Tiffany Joy is a self-taught guitarist, and a singer/songwriter with a flair for the dramatic. Having spent most of her life studying theatre and dance, her love of performing becomes apparent when watching her onstage. Her silky smooth jazz voice and Latin beats are reminiscent of the kind of music you would hear drifting out of some obscure caf in an exotic locale. Being bilingual and having a deep love for the Latino culture, she writes her material in both Spanish English. Being a poet since childhood who has also been blessed with a passionate love of music, Tiffany blends insights gained from her life experiences with creativity cleverness to create songs that not only touch the heart and tickle the funny bone ... but also have the ability to inspire the soul. Her lyrics range from profound to comical as she deals with issues of life, love, faith, and the challenges of learning growing through relationship. A Tiffany Joy performance is a memorable experience that wouldn't be complete without the seasoning provided by her zany sense of humor and the unpredictability of her unique comedic timing. Tiffany loves traveling and meeting people from various cultures. At the age of 25, she has already completed two self-promoted tours. In 2002 she traveled performed for two months in Chile, and just recently completed a tour performance in Peru, and a three-month stay with performances in Buenos Aires, Argentina (2006). Aside from her South American performances, Tiffany has performed in Northern and Southern California, and is presently playing venues all around the San Francisco Bay Area. In 2004 Tiffany teamed up with musician/producer Marcio Brenes (Brenes Entertainment) and a group of talented musicians to begin recording her first full-length debut album which features six songs in Spanish and six in English. While recording the album, Tiffany simultaneously attended college and in December of 2005

graduated Cum Laude with a Bachelor of Arts Degree in Spanish Linguistics and a minor in Musical Theatre. The album was released in August, 2007 and is now available online and in select retail establishments. "What I love about music is that it is not only an outlet for me, but it has the capability of being an emotional outlet for others. As humans, we can all relate to having human experiences. Music has the power to heal and to unite. I believe that even in the most hopeless situation, music can provide comfort, answers even. It is my goal to write songs that evoke emotion and provide inspiration. I am definitely at the beginning of what I'm sure will be an amazing journey. If something in my music speaks to you. . . I urge you to listen, it was written from a place of beauty, honesty, and hope." . . . Tiffany Joy
