

Mp3 Vedan Kolod - Tribes

[DOWNLOAD HERE](#)

Ancient North-Eastern Slav folklore music from Central Siberia. 13 MP3 Songs in this album (48:21) !

Related styles: WORLD: Folklore, WORLD: Eastern European Details: Vedan Kolod The repertoire of the ensemble is based on ancient Slav songs which were discovered by the ensemble members in numerous ethnographic expeditions throughout deep Russian regions, namely Central Siberia and Altai. The name of the group, the "Vedan Kolod", in Old-Slav means "the prophetic tree". Based on thorough research, musicians recreate authentic sound of old Pre-Christian Slav culture to great details, which include now extinct Old-Slavonic dialect of the region, genuine vocal technique and authentic musical instruments, found in archaeological excavations and recreated by Valerii Naryshkin. Vedan Kolod perform not only the actual folklore songs, but also compose their own instrumental compositions and songs on old folklore texts. Tatyana Naryshkina (group leader): vocal, flutes, Slavonic drums, ocarina, fuyara, vargan and other; Valerii Naryshkin (musical instrument maker): vocals, two kinds of gusli, Scythian horn, ocarina, Slavonic drums, vargan, jaleika, Slavonic bagpipe, fuyara, gudok and other; Daryana Antipova (art-manager): vocal, Slavonic big and small drums, fuyara, sharkuncy; Polina Lisitsa: vocal, Slavonic small drum, lozhki, sharkuncy, flutes, vargan.
