Young Adult, Romance: As if having a hopeless crush isn't bad enough, high school sophomore Megan Linders has just been assigned a huge career project that her teacher claims will get her ready for the "real world." Problem is, Megan doesn't know if she wants to get ready for the "real world"--she'd rather think about a hunky guy with green eyes. Kyle Patterson is the kind of guy every girl wants to go out with. He's cute, friendly, and easy to talk to. So why, when he finally asks Megan out, can't she say yes? Because going out with him would mean living a lie. Is Megan willing to cast the truth aside to go out with the guy of her dreams?
