When their mom said she was sending twelve-year-old Percy and Penny and their little brother, Pauly, to stay with an uncle theyd never met, she tried to make it sound better by saying that Uncle Stretchs farm was a horse camp. Well, the farm animals are actually chickens and pigs, and the only two horses are mean-tempered and not too keen on being ridden by kids. As Penny puts it, This farm is like the eighteenth century, but way worse! The water has a rusty taste, and all the meat used to be animals on the farm. If there is one thing the twins can agree on, its that between endless chores, no Internet or cell phones, and the prospect that their mom might have to stay in jail (even though some people say shes a hero), horse camp is a big, fat joke. Will they ever have a real family again? Or is there a family for them right here? Nicole Helget and Nate LeBoutillier have written a funny novel about farms and family, animals and antagonism and the paths kids take, sometimes while living in the same house, before coming home.
