A fusion of jazz, soul and poetry, a unique brand of scintillating lyricism and coffee shop synergy wherein the linguistic wit is as profound as the music is mesmerizing. 10 MP3 Songs SPOKEN WORD: Poetry, JAZZ: Jazz Vocals Details: Abyss is a Jazz Poet that typifies the mystical synergy of the divine nuances that birth creativity. A conceptual thinker, celestial evangelist and lyrical dimensionalist, he is the mouthpiece for that which is too subconscious, abstract and pious to be put into words. His philosophical profundities are often cryptic, but are able to be grasped by the porous mind and parallel spirit which he believes all possess but are desensitized to its force. This unawareness is the provocation for the Ambiance. Ambiance is the mystical energy that emanates with the realization of knowing thyself. It relates to the spiritual aerospace that is emitted and consumed when becoming mind-deified. The metamorphosis from the physical plane to the visceral plane is a subconscious process wherein the flesh vaporizes into energy sensation and is mostly articulated through mood. Mood is the involuntary submission to an inner calling, be it soul centered or spirit centered and when you convert yourself to feeling celestially, surrealistically your mental clarity is self refining. Furthermore, Ambiance represents the purification that takes place during the mind healing and body atoning processes where the unveiling of you to yourself becomes displacements therapy. Have you ever breathed the ionized air that nature provides after a thunderstorm and felt possessed by its other-worldly aura? Ambiance was created to give your soul force the same rejuvenation, to categorize that feeling of either complete peace or complete cohesion that exist when the soul eye is perforated and receptive to the vibrant energy of subconscious awakenings. Where on earth exist a place for the dreamer to be emancipated? In the infinite space of the mind where your emotional frequency is out of tune with fleshly instinct but one with the oasis of contemplation, there you will find the rhyme that fabrics feeling, welcome.
