Driving pop/rock with clever lyrics. Think: Neil Young jamming with Ozzy. 7 MP3 Songs ROCK: 90's Rock, ROCK: Modern Rock Details: This is where it all began as a power trio, the songs on this CD reflect the bands 80s and 90s sound, it also reflects the unadulterated RAW energy of what it was like to hear this band live. Recorded at Power station studios and engineered by Tim Pickler, the sound and energy flows like a raging torrent of synergistic Rock and Roll, tribute to all of our influences and a sneak peek at the ROOTS of a great band.
