The BLACK OPS sound is the future of Hip Hop. This RAW style brings the marriage of head knockin beats with meaningful lyrics with sick deliveries. This album is a throw back to the old days when the music trully reflected life...both Good Bad. 13 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap

Details: Over the years hip hop heads constantly wondered about where hip hop was headed and now the answer is here. Black Ops. The music, the culture, the movement, began in New York and spread across the East Coast like the Flu at a day care center. Then it went to the West Coast. After that, it was the Dirty Dirty and the Midwest. What was left? Nothing. until now. Black Ops is a combination of some of the most incredible hip hop figures that ever walked the face of the Earth. Where other MCs conformed, these cats developed and their sound is just as raw as the streets that bred them and as universal as the issues they tackle. No matter the beat, tempo, or atmosphere, you will ALWAYS feel a Black Ops track. They recognize the life that has become hip hop and the fact that American culture IS hip hop, and they bring it like no one else can. BLACK OPS: A group of elite individuals specifically selected for their specialized talents. These individuals operate covertly on a higher level than anyone in their related disciplines. They operate in the darkness of the competitions ignorance, secretly executing operations that destroy the opposition. They are the BEST OF THE BEST. This definition is most definitely true of BLACK OPS.

KARMAGEDDON ELEMENT LIVE WIRE STEPCHYLDE SCRIPT Remember those names. Each one of them can hold their own as soloists just as strong as the crew as a whole.
