Details: Blair Hebert is a Canadian, singer songwriter living in Vancouver BC. He is acknowledged by both fans and peers as a solid performer, gifted songwriter and an accomplished guitarist with a strong melodic voice. Blair's charm on a concert stage is his ability to make you feel like you are in his living room. In 2006 Blair self produced his first full length songwriters CD titled KNOW drawing on songs he has performed for years in concert as a solo acoustic act. Using many of Vancouver's finest musicians, the CD is an eclectic groove driven compilation with tasty B3 organ and Latin percussion throughout, oh yes and accordion too. Onstage and Up-tempo, Blair is best known as a Swing/Jazz artist in Vancouver who has fronted a five piece combo The Swinging Detectives since 1998. He is currently off the stage and in studio writing and recording a modern swing CD for a new project RADIO SATELLITE to be released late 2007. The new CD will be a collection of original and brilliant forgotten jump/swing tunes, performed with the same positive vibe as Louis Jordan, Slim Gaillard, Satchmo and Louis Prima. Blair continues to perform his acoustic songs from Know solo on small to medium stages around Vancouver. His vision for 2007 and beyond is to combine his solo acoustic performance for an intimate "get to know you" set with a follow-up of swinging up-tempo originals and classic jump swing tunes. Plans for a tour of Europe are in the works. If you would like to know more or want to be involved please contact Blair directly via email blair_hebert@shaw.ca. Check him out when you are in town or invite him to a concert stage near you. Also of interest myspace.com/radiosatellite myspace.com/imaginesf3 myspace.com/bear_hebert
