Strong and tender vocals singing poetic lyrics that combine with drums, bass and strings to create a dynamic, original sound. 11 MP3 Songs FOLK: Folk Pop, FOLK: Political Details: "Joe Hill would be proud. Singer and organizer at the same time", Pete Seeger says of Colleen, a bi-lingual singer songwriter of New Song and Nueva Cancin. She performs original alternative acoustic music in a splendidly energetic mix of poetry and rhythm. Her voice can be both strong and tender and has been likened to that of Joni Mitchell, Natalie Merchant, and Shawn Colvin. Colleen has performed for diverse audiences at colleges and universities, women's festivals, environmental festivals, and Latin American and labor solidarity events. Colleen solos and plays with her band, Night Skies. Nationally, she has toured with the acclaimed multi-media project Sing it down!, a music/video/discussion program designed as part of the movement to educate about the infamous US army School of the Americas. Folk legend Pete Seeger has called this struggle to close the school "the singin'ist movement he knows". Aside from singing with Seeger, Colleen has shared the stage with folks such as Bruce Cochburn, Holly Near, and Tom Paxton. Colleen combines music and activism, recognizing the guitarra armada or 'armed guitar' concept of Latin American troubadours like Mercedes Sosa and Silvio Rodriguez who know that the guitar and voice are mightier than the sword. Her other recordings are About Time and Sing it Down: Songs to Close the SOA, co-recorded with Jolie Rickman.
