

Mp3 Composure - Lexie Cannes

[DOWNLOAD HERE](#)

"Sweeping and dramatic . . . Bill McGee shares some of his unique and fascinating musical compositions, an eclectic mix of electronic, symphonic, cinematic and pop". 10 MP3 Songs NEW AGE: Meditation, NEW AGE: Ambient Details: Personnel: [Bill McGee(Composure)Unsigned Artist]: This Electronic New Age musician is becoming known for his ability to create dimensional music that will once again bring New Age music to the foreground in today's world of variety. Though the style of McGee (Composure) is constantly there within his Electronic Keyboard and effects, he is diversified enough to keep your imagination alive as you are drawn into his world of beauty and dimension within his music. With positive constructive comments of his music from such artists as Michael Stearns, record reviewer Bill Binkelman of 'Wind and Wire', and various Internet Radio broadcaster's, you'll hear for yourself what these professionals have already heard in McGee's style of imaginative creations through his electronic keyboard. ----- Description of Composure's music from Michael Woodhead (Wind and Wire): "Sweeping and dramatic . . . Bill McGee shares some of his unique and fascinating musical compositions, an eclectic mix of electronic, symphonic, cinematic and pop". ----- This soundtrack CD.. "Lexie Cannes" will have you enjoying the next 44 minutes/17 seconds(10 tracks) of laid back soothing and meditative music, some say are familiar to Pink Floyd, and Peter Gabriel. Each song on this CD is woven into the upcoming independent film... "Lexie Cannes", produced and directed by Tom Bertling (Kodiak Media Group) of Oregon. A collection item you'll enjoy for years to come, no matter what the current trend of music may be.
