Folk singer/Songwriter based in Nashville, TN. A clever, witty, sometimes off-center look at everyday life. 11 MP3 Songs in this album (33:20) ! Related styles: FOLK: Fingerstyle, COUNTRY: Americana People who are interested in Woody Guthrie Willie Nelson John Prine should consider this download. Details: Another fine collection of poignant, witty songs from the one-of-a-kind CowboySlim. Most of the songs are new, some re-visited. Slim chose to re-issue "Just In Case You Fall In Love With Me", even though it was on two previous releases, because of the addition of a new verse. Another "older" song included here is the beautiful "My Dad". Written in January, 2005, the song was not included in either Do Not Enter or Live At The Sutler, due in large part to an oversight. Some of the new compositions are "Just Jump In"; the bouncy "Electric Car"; "He's Watching You"; and the desperate, touching "Almost". The songs are intelligent, the melodies, fresh, all-in-all, just another great collection from one of America's best new songwriters.
