Phone: 423-227-7119 Email: nugamaan@huslasrepazentrecords.com P.S. (About Us) A change in hip-hop and music in general...I know many have said this before, and being in and from the south as I am, make major hip-hop artist look down on us like there is no change in hip-hop one from the south could do...I am the President/CEO/Founder of Huslas Repazent Record (H&R Records) here in Chattanooga, TN. I have signature artist from Chattanooga, Birmingham, and Atlanta...My goal in the industry and what I teach my artist when it comes to music is love it before anything else. Enjoy what you do before any dollar bill has been place in your face. And to understand one another's lyrics style and background to gain a closer relationship with that other artist(s)...The biggest change I've plan to make in the industry is performance, live performance, and help people understand that hip-hop is music...Hip Hop is presumed to be everything but music to some...Hip Hop is a culture, but yet it is a form of music that is out spoken in any

one's argument, love life, fight, a person way of living, est. However, music and hip-hop co-exist, not only with live instruments but with electronic machines that now days hip-hop have mastered and made wonders of different sounds...Anything can be hip-hop when its done as hip-hop; understand? My team and I will change the game with or without exposure; we love music too much to give up. But with the right exposure, we will show the nation and maybe even the world that Hip Hop is music. Thank You.
