Indie power pop with plenty of hooks. 6 MP3 Songs POP: Power Pop, POP: Beatles-pop Details: Dane Petersen is a Dallas, TX area keyboardist, vocalist and songwriter. His distinctive musical approach can be described simply as multifaceted--he has no interest in labels or concrete descriptions. "More Than a Day's Work is a mini-album of original songs, stylistically somewhere between XTC, The Beach Boys and early Todd Rundgren, but with a more modern bent. Recorded with members of Chomsky, the album also includes a cover of Ballet for a Rainy Day, originally recorded for the King For a Day XTC MP3 tribute, but remixed for this album. These are catchy tunes!"--chalkhills.org "Dane Petersen - More Than A Day's Work - Whoa! Anyone who's a fan of the last effort from Tears For Fears, Jellyfish or the Beach Boys should go here now. Although only a six song EP, it's pure pop heaven."--Kurt's Krap "If Dane Petersen's 6 song EP is a hint of what is to come, we can't wait for a full length CD! A perfect example that less can be more, and that when it is all said and done, it is all about the song, and Dane Petersen is all about the song. If you miss out on this one, you are missing out on one of the nicest surprises of the year."--Popbang Radio Visit Dane's newly relaunched website at danepetersen.com. A full-length CD is currently in the writing stages.
