This CD is Classic and Timeless. A blend of Old New School. You'll love the R&B with funky jazz flavor. Featuring amazing music by Cadillac Ant and Bossilini. You'll wanna listen over and over. 15 MP3 Songs URBAN/R&B: Contemporary urban, JAZZ: Smooth Jazz Details: EJ Miller has done it again.. with hot funky tracks, hes IN YOUR EAR. This CD blends new school with old school flavor. EJ not only sings a song, he tells a story. Youre gonna love it! From a child singing in the church choir, to the singer/songwriter, composer/producer engineer he is today, EJ has never strayed from his first love -Music. EJ was influenced by music greats like Stevie Wonder Marvin Gaye. You can hear his love for music in every note he sings. Once again, as always, Cadillac Ant Bossilini are dropping heat, with fat, power packed beats. Cadillac wrote the title song for the movie - Tournament of Dreams, coming out soon. EJs first release Late Arrival is a smooth blend of R&B and jazz. From the first track "West Coast", to the last -"Just in Time remix" you'll be caught up in the rhythmic flow of the music, and truly impressed with the versatility of EJ's voice. Go listen to that one too!
