Traditional country with each song exploring various different facets from bar room to bluegrass to western swing all the way back to heartbreak. ever owned an old american car? check out detroit made. 11 MP3 Songs COUNTRY: Traditional Country, FOLK: Traditional Folk Details: Hi, Thanks for your interest! My name is Gary Rand. I've been a musician-songwriter since forever, it seems. I've played rock and country and never the two shall meet. I attended Berklee School of Music in 1974. As I like to say, I learned the rules so I could learn how to break them. I write songs for everyday people. That's why I write country music. I'm a working man (a rigger by trade) so i understand what we all go through to simply get by. My songs are a companion to life; it's ups and it's downs. So, buy my cd! You can also e-mail me at Garytunes1@aol.com Keepin' it real, Gary
