More tunes from Magnetic's pre-eminent rock trio, ambassadors of that popular rock music that the kids are so fond of these days. Actually recorded in a studio this time, (well, mostly...) this set of 14 tunes ranges from lush to raw, songs written by the 18 MP3 Songs POP: 70's Pop, POP: Beatles-pop Details: After Hieronymus Firebrain, Jonathan Segel (aka Dr. Firebrain) stripped down and got himself what the call in the business a "chick bass player." Not just any chick, mind you... Jane Thompson (aka Jill) was a psychology grad student with a black belt in an obscure martial art. She kept the boys in line and away from complex time changes and obsequious lyrics. This back to basics approach yielded "Chill and Shril", a little reconstructed deconstructionist post-post-modern neo-retro driving-yet-melodic alternative power pop of a record. Spells blast-off for Mr. and Mrs. Front Porch America... you watch out there... stop playing volleyball on the freeway... A little reconstructed deconstructionist post-post-modern neo-retro driving-yet-melodic alternative power pop. Spells blast-off for Mr. and Mrs. Front Porch America.
