Details: Why do I love singing, playing, and writing? Its all about my lifes passion making a difference; connecting with God and people through music. We all share hurt and joy. Music can uniquely connect us, allowing us to laugh and cry together. Knowing we are not alone in this world gives peace and hope. I am amazed when someone, often a stranger, thanks us for a particular song that comforts them or renews their joy for living. This is a humble reminder it is not about me. I dont understand why God graciously allows me to share love in this way, but I am so thankful and embrace it with great anticipation and joy. I look forward to having fun with you on the front porch soon! Kimberly
